If you do what to an egg, it is said to protect you against lightning, hail, and beehives?  
(Bury it in your garden or yard.)

Who co-starred with Judy Garland in "Easter Parade?"  
(Fred Astaire)

A carton of eggs should always be washed before using. True or False.

(False. Unless you got them directly from beneath the chicken.)

## **HAPPY EASTER EVERYONE**

### **All I need to know**

#### **I learned from the Easter Bunny!**

Don't put all your eggs in one basket.

Everyone needs a friend who is all ears.

There's no such thing as too much candy.

All work and no play can make you a basket case.

Everyone is entitled to a bad hare day.

Let happy thoughts multiply like rabbits.

Some body parts should be floppy.

Keep your paws off of other people's jelly beans.

Good things come in small, sugar coated packages.

The grass is always greener in someone else's basket.

To show your true colors, you have to come out of the shell.

The best things in life are still sweet and gooey.

May the joy of the season fill your heart.

Happy Easter!
