Checklist For Application:

- Copy of Dated Sales Receipt
- Copy of AHRI Certificate
- Completed Application
- Must be Energy Star Rated

By participating in the Chaska Rebate Program, you can keep save energy and earn a rebate when you purchase a qualified closed loop ground source heat pump.

What rebate can I earn?

\$150 per ton (max. limit of 5 tons per unit)

Additional rebates may be filed for multiple units.

Units must meet minimum 15 EER criteria.

What is Quality Installation?

Quality Installation ensures that equipment is installed properly and consists of the following key elements: equipment sizing, proper refrigerant charge and air flow, and duct sealing. **To qualify for the Closed Loop Ground Source Heat Pump rebate, your contractor must verify that all items included in the Quality Installation Checklist on the rebate application were performed.**

Equipment	EER
Closed Loop Ground Source Heat Pump	≥ 15

How Do I Qualify?

- Customers receiving electric service from City of Chaska Electric Department are eligible for a rebate when they purchase a qualified closed loop ground source heat pump.
- **To qualify for rebate, unit must be installed following Q.I. procedures.**
- Information on rebate application must match information on receipt/invoice exactly.
- The program is applicable only for the purchase of new equipment, for installation in new or retrofit applications where the electricity is supplied by City of Chaska Electric Department.
- Customer must apply for rebate within one year of the purchase date shown on the sales receipt.
- Rebate applications must include complete contractor and equipment information with a copy of dated sales receipt/invoice including manufacturer, model number, serial number, specifications and AHRI Certificate with EER rating. **Incomplete rebate applications will not be processed.**
- Rebate requests are processed on a “first-come first-served” basis. Annual rebate funds are limited and payouts could be paid over several years. Rebate programs, qualifications, and amounts are subject to change at any time. The customer is responsible for checking with City of Chaska Electric Department to determine whether program is still in effect.
- A percentage of submitted rebate projects will be spot checked. Projects with rebate payments over \$5,000 require on-site verification. Customer agrees to provide reasonable access to accommodate this inspection.
- Qualifying customers must apply for rebate by November 30, 2023.

The Utility retains the rights to all capacity and carbon savings from this rebate.
