Checklist for Application:

- Completed Business Energy Audit Request Application

By participating in the Chaska Rebate Program, you can discover ways to save money and energy by having a Business Energy Audit conducted by our trained professionals at a reduced cost.

What is my cost for an Energy Audit?

There is no cost for the Energy Audit.

What is a Business Energy Audit?

A business energy audit is an inspection of your business that can help improve energy efficiency and save money.

The Business Energy Audit includes the following:

- ✓ Analysis of historical electrical usage.
- ✓ Short interview with business employee.
- ✓ Inspection of facility.
- ✓ Inspection of building shell (attic, sidewalls, basement).
- ✓ Safety inspection of mechanical systems.
- ✓ Ventilation System Assessment.
- ✓ Detailed report addressing areas of concern; estimated energy savings, cost and payback periods; and recommendations for improving energy efficiency.

How Do I Schedule an Energy Audit?

To schedule an energy audit, simply complete the attached request application and submit it to City of Chaska Electric Department.

How Do I Qualify?

- Business customers receiving electric service from City of Chaska Electric Department are eligible for an energy audit.
- **The Energy Audit must be performed by one of our trained professionals.**
- The Energy Audit must be conducted in a business that receives electric service from City of Chaska Electric Department.
- Energy Audits are limited to one audit per customer account per three energy years.
- Audit requests are processed on a “first-come first-served” basis. Funding for the program is limited and any requests received after the funding limit has been reached will not be approved. Program, qualifications, and amounts are subject to change at any time. The customer is responsible for checking with City of Chaska Electric Department to determine whether the program is still in effect.
